## Girls Team of the Week

### Kingdom Flames U12 Girls

**Coaches: Ali Bagley & Nick Michaels**

The Kingdom Flames are a team that was brought together after tryouts with none of the girls ever playing together before. Coach Ali and Nick knew there was a lot of work to be done, but were highly optimistic on how the team would compete this season. The team has struggled a bit from the start of the season, but found their form at the right time. The Flames went 2-1-1 at the Capital Area Classic with their only loss coming in the Championship to Michigan Rush. Head Coach Ali Bagley was very excited with the results of the tournament and is looking forward to the rest of the season!!

Great Job Ladies!!!

### **Kingdom U09 Boys Red: Coaches Joe Wright & Mark Nash**

The Kingdom U09 Boys Red team had an exceptional tournament at the Capital Area Classic, going undefeated with 3 wins. The boys scored 11 goals and only allowed 2, while earning 2-shutouts to capture the U09 Boys Silver Division title. Head Coach Joe Wright is hoping that this will catapult the team into more wins for the rest of the WMYSA season!!

### **Kingdom Kings U10 Boys: Coach Enock Chibende**

The Kingdom Kings also played very well at the Capital Area Classic as they went 3-0 while scoring 22 goals and only allowing 4 to capture the title in the U10 Boys Red Division. In the third game of the tournament, the Kings found themselves up against a very tough Midland Fusion team and the Kings were missing two of their players, Zander and Levi Crooks, which resulted in a short bench. However, the Kings played tough and held on for a 3-1 victory to wrap up a great weekend of soccer!!

**Kingdom Soccer Club wants to Congratulate all 5 teams that participated in the Capital Area Classic and showing the dominance that Kingdom has and needs to maintain within the soccer world!!**
